

SUSCHEM GREECE KICKOFF EVENT

Athens, 16 December 2016

NJV Athens Plaza Hotel,

Vassileos Georgiou 2, Syntagma Square, Athens

INVITATION

You are cordially invited to participate in the Kick-off Event of SusChem Greece, the Greek National Technological Platform for Sustainable Chemistry.

The event will introduce this brand new initiative, aspiring to gear Greek stakeholders towards a collective journey to innovation for the benefit of industry and society. You may find some more information on our provisional site at www.suschem-gr.org.

You are invited to contribute to SusChem Greece your valuable and pragmatic insight, your experience and knowledge and your strategic expectations for a Greek industry of prosperity, prowess and social responsibility through sustainable chemistry.

The kickoff event will provide ample time for networking with your peers and sustainable chemistry stakeholders. You will participate in informative sessions, a short and sweet questionnaire on topics worth pursuing in SusChem Greece and plenty of discussion, formal and informal.

You may reach Syntagma Square by metro, bus, trolley-bus, taxi and your own car. There is parking available at Xenofontos XX, 5' minutes away from the venue.

Attire will be business.

Please, let us know by 14th December close of business of your intention to attend. We look forward to seeing you there!

On behalf of SusChem Greece Secretariat,

Stelios Bikos
