

INVITATION TO THE XXX FATIPEC CONGRESS

GENOA, 9 - 11 NOVEMBER 2010, "FIERA DEL MARE"

FATIPEC, the prestigious European Federation of Coatings Scientists and Technicians, organizes every 2 years, a very important Congress, which is the major event for all the professionals involved in the concerned industries. The XXX FATIPEC Congress will be organized by AITIVA, the Italian Association of Paints and Related Industries Technicians, founder member of FATIPEC, who already successfully organized previous Congresses: in Milan (1959), in Florence (1972) and in Turin (2000).

**"COATINGS THROUGHOUT THE THIRD MILLENNIUM:
EVOLUTION, INNOVATION OR REVOLUTION?"**

TOPICS OF DISCUSSION

- Raw Materials
- Production
- Innovative coatings
- Innovative technologies
- Legislation
- Energy Saving

This congress will be an opportunity to join the leading Coatings Show in Southern Europe, EUROCOAT EXHIBITION, held alternatively in France, Italy and Spain, which is in Genoa during the same days and in the same location of the FATIPEC Congress.
